Lily –

Thanks for sharing. Here are some suggested edits to your draft letter. Are you planning to send out hard copies to all the cc's, because if not, you could note that all cc's are being sent as a PDF document? Would be easier than sending hardcopy documents.

The Honorable Edwin Lee, Mayor of the City/County of San Francisco
The Honorable Malia Cohen Supervisor
Office of the Mayor
1 Dr. Carlton B. Goodlett Place, Room 200
San Francisco, California 94102-4641

Dear Mayor Lee and Supervisor Cohen:

Thank you for your letter of September 19, 2016, to EPA Administrator Gina McCarthy regarding integrity of data delivered by Tetra Tech to the Navy at the Hunters Point Naval Shipyard (“Shipyard”). We agree that the safety of your residents and workers is paramount and that this cleanup must be done in a way that protects the public health of your residents and the environment.

I and/or Enrique Manzanilla, Superfund Division Director, would be happy to meet with you to discuss EPA's oversight of the the Shipyard cleanup and transfer process. I understand that your staff and my staff have talked multiple times to discuss both the cleanup status and logistics of this meeting.

~~In the mean time, if~~ If you would like to talk before then, please contact me any time at 415-972-3133, jordan.deborah@epa.gov, or Enrique Manzanilla at (415) 972-3843, manzanilla.enrique@epa.gov.

Sincerely,

Deborah Jordan
